

Another Way

Gigi d'Agostino

[Incomprehensible]I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my songI'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my songI'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my songI'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my songWhen I look into your eyes
I feel myself fly around the world
Now you're in my dreams alive
I feel it's paradise inside my worldWhen I look into your eyes
I feel my heart at flight around my skies
When I stay with you alive
I feel it's paradise inside my lifeDon't you see that
I want to touch your body
Can't you see that
I fly with you, I pray for youLiving in another way
To live it up just another day
Living in another way
Don't stop, don't stop
Don't stop, put it downLiving in another way
To live it up every single day
Living in another way
Don't stop, don't stop
Don't stop, put it down[Incomprehensible]I'll never do it, come and sing my songI'll never do it 'cause you
treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my songI'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong

You'll never do it, come and sing my song I'll never do it 'cause you treat me wrong
You'll never do it, come and sing my song
I'll never do it 'cause you treat me wrong
You'll never do it Don't you see that
I want to touch your body
Can't you see that
I fly with you, I pray for you Living in another way
To live it up just another day
Living in another way
Don't stop, don't stop
Don't stop, put it down Living in another way
To live it up every single day
Living in another way
Don't stop, don't stop
Don't stop, put it down
