I Can't Get Next To You

The Temptations

I, my, my, my, my
Oh I,
Can turn the gray sky blue, I
You see I can make it rain, when I want it to, oh I
I can build a castle from a single grain of sand, I
You see I can make a ship sail, on dry land tell 'em yeah
I'm unhappy with all the powers I possess, yeah
Girl you're the key to my happiness and I
(I can't get next to you, babe)
(I can't get next to you)
I've trying a long time
(I can't get next to you, babe)
(I can't get next you)
I don't know what to do

I,
Oh I,
I, oh Lord
I can fly like a bird in the sky, oh I
And I can buy anything that money can buy, oh I
Can turn a river into a raging fire, oh I
And I can live forever if I so desire, yeah
I'm unhappy with all the power I possess, yeah girl
'Cause girl your the key cause
(I can't get next to you babe)
(I can't get next to you)
(I can't get next to you babe)
(I can't get next to you)

Let me tell that
I can turn back the hands of time,
You better believe I can, oh I
You see I can take the season's change just by waving my hand, let me say I
I can change anything from old to new girl, oh I
All the things I want to do the most, you see, I'm unable to do, yeah

Unimportant these things that I'm trying to do here today
'Cause girl, you see, I
(Can't get next to you babe)

I've been trying a long time
(I can't get next to you)
Oh somebody oughta help me
(I can't get next to you, babe)
Let me, let me go
(I can't get next to you)
Let me

I, Lord I've been working on it, baby
I've been thinking about it
Oh I
But you see, I've been trying to call you all day long
But you see I don't have your phone number, honey, I
I've been, I've been, thinking about you baby, something awful
You see, I, oh I, sometimes I feel like I want to moan about it
And I, I don't just know what to say about it
