Ice Cream Castles

Morris Day

We are young, we are free on earth together. Let's fall in love
You are fine, you are white, I am of color. Let's fall in loveIce cream castles in the summertime
Ice cream castles in the summerI want you, you want me, we want each other. Is that so wrong?
It's raining. Mad sisters, why can't they realize, that it won't be long?We're all ice cream castles in the summertime
Ice cream castles in the summer
Let's do something soonWe are young, we are free. Let's come together before the end
I am blue, you are too, what could be better? Let's make friendsWe're all ice cream castles in the summertime
Ice cream castles in the summertime
We're all ice cream castles in the sun
Ice cream castles when we fall
Ice cream castles in the summertime
Summertime, summertime, summertimeIs that what you need?
White girls, black girls, orientals, jamaican?Ice cream castles in the summertime
We're all ice cream castles in the sun
Ice cream castles when we fall
Ice cream castles in the summertime
SummertimeWhite girls, black girls, orientals, jamaican
I want you, you want me, we want each otherWhite girls, black girls
We are young, we are free on earth togetherLet's do something, let's do something soonWe are young, we are free. Let's come together
