

Starla (2011 Mix)

Smashing Pumpkins

I'm in here
Please take me home
Starla dear
I'm all alone When you can't decide what's on your mind
It's clear I'm here, Starla dear To disappear takes so much time
Starla dear, you're on my mind Soon, soon I'll be leaving
Soon, soon I'll be leaving
I hear all you're saying
I hear all you're failing I'm in here
Please take me home
Starla dear
I'm all alone Serve yourself No one else can do for you like you
And no one else fails like me
In my eyes I burn alive
Fly like a bird
No more words just you and I
High in the sky
