

Pop Music Of The Future

Say Hi To Your Mom

She sold her warlock
And bought her drum machine
Fired her old band
Cause they hated 909 beats
She's got a loft space
Takes the L train to bedford
Runs with some cool kids
That are actors
But dress like nerds

And plays pop music of the future
And no one will ever get to her
She's a shaker, but not a mover
She plays pop music of the future

Back in the 80s
She wanted to be in a hair band
And then in the 90s
She only wore corduroy pants
And then there was emo
But that was just a phase
'Cause it's all been downhill
Since sunny day real estate's
First record

She plays pop music of the future
And no one will ever get to her
She's a shaker, but not a mover
She plays pop music of the future
