

I Need You

Daniel Thornton

Just to walk with You,
Just to talk with You,
Just to know You will be always there.
To be led by You,
So that I can do,
Ev'rything You give me pow'r to do. Holy Spirit I, I surrender my,
My agenda as I walk with You. Holy Spirit, God Almighty.
Holy Spirit, God inside me,
More than a friend, Empowerer,
More than a help and comforter,
More than my breath, my life, it's true,
Holy Spirit I need You
