

Wined and Dined

[Syd Barrett](#)

Wined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seen Only last summer
It's not so long ago
Just last summer
Now, musk winds blow Wined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seen Wined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seen Chalk underfoot
Life I should prove
Dancing in heat
Our love and you Wined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seen
