

## Where You Are (Is Where I Wanna Be) (Part 2)

# Donell Jones

I'm saying, I'm sorry for leaving you  
But I wanted to start my life brand new  
I was going through changes and could not see  
That with you is where I wanna be  
Nothing compares to you  
And I hurt from the pain that I put you through  
Baby, I need you desperately  
'Cuz I gotta be  
Where you are?  
Anywhere you are, it don't matter how far  
Where you are?  
Anywhere you are, it don't matter how far  
Where you are?  
Anywhere you are, it don't matter how far  
Where you are?  
Where you are?Where you are, uh huh, oh?Being apart got the best of me  
And I know that in life there's no guarantees  
Please say that you still got love for me  
'Cuz I'm missing homeI'm never gonna leave  
And I say it because you're all I need  
For better or worse to the end of time  
I gotta be  
Where you are?  
Anywhere you are, it don't matter how far  
Where you are?  
Anywhere you are, it don't matter how far  
Where you are?  
Anywhere you are, it don't matter how far  
Where you are?Where you are and where you are?  
Where you are, oh?I am sorry for all the things  
I put ya through  
Baby, you are my world  
I can't live my life without youCan I come back home where I belong  
'Cuz I'm so alone  
Baby girl, I'm on my knees, beggin' please  
'Cuz with you is where I wanna be  
Where you are?  
Anywhere you are, it don't matter how far  
Where you are?  
Anywhere you are, it don't matter how far  
Where you are?  
Anywhere you are, it don't matter how far  
Where you are?  
Where you are?I just wanna be where you are baby
