

# Do You Know (What It Takes)

Robyn

Always be around  
Do ya Do ya Do ya Don't you know I can see what you do to me  
Running around with your cheap talk, cheap talk  
What I need is a man who can do me right, do me right If you got what I need, I can guarantee  
To return all the love that you've giving to me  
But, I've got to be sure that you'll always be around  
(always be around) Do you know what it takes to love me (do you know)  
Do you know what it takes to do me right  
Do you know what it takes to love me, baby, ba-by Heaven knows in my time, I've been lonely  
Feeling my love echo in my mind, in my mind, yeah  
A never satisfied girl is what they call me  
But I just can't keep going on living lies Guaranteed, underneath  
You won't let me down  
There's so much I can give  
But it's buried so deep  
I just got to be sure that you will always be around  
(always be around) Do you know what it takes to love me (do you know)  
Do you know what it takes to do me right  
Do you know what it takes to love me, baby, ba-by  
Do you know what it takes (do you know)  
Do you know what it takes  
(don't waste my time, with your lies)  
Yeah baby, I got enough  
(you got to prove that you will always be around) I'll give you everything  
Boy will you do the same for me  
Will you do everything  
I gotta know the way it'll be (?) Do you know what it takes to love me (do you know)  
Do you know what it takes to do me right  
Do you know, do you know, do you know what it takes  
Do you know what it takes to do me right  
(don't waste my time baby)
