

# Waves Goodbye

## From First to Last

There's an ocean out my window  
There's beauty in it's tears  
There's an ocean out my window  
It's crashing in my ears Oh sea, you shelter  
You dance between my toes  
When I feel like I can't move forward  
You carry me like a father Breathing is the hardest thing I do  
I'm not the only person in the room  
It's hard for me, to feel like I'm perfect
