

Heartbreaker

Dionne Warwick

I've got to say it and it's hard for me
You got me crying like I thought I would never be
Love is believing, but you let me down
How can I love you when you ain't around? And I look into the morning and you never call
Love should be everything or not at all
And it don't matter whatever you do
I've made a life out of loving you Only to find any dream that I follow is dying
I'm crying in the rain
I could be searching my world for a love ever lasting
Feeling no pain, when will we meet again? Why do you have to be a heartbreaker?
Is it a lesson that I never knew?
Gotta get out of the spell that I'm under
My love for you Why do you have to be a heartbreaker?
When I was being what you want me to be
Suddenly everything I ever wanted
Has passed me by
This world may end
Not you and I My love is stronger than the universe
My soul is crying for you and that cannot be reversed
You've made the rules and you could not see
You've made a life out of hurting me Out of my mind, I am held by the power of you love
Tell me when do we try, or should we say goodbye? Why do you have to be a heartbreaker?
When I was being what you want me to be
Suddenly everything I ever wanted
Has passed me by Oh, why do you have to be a heartbreaker?
Is it a lesson that I never knew?
Suddenly everything I ever wanted
My love for you Oh, why do you have to be a heartbreaker?
When I was being what you want me to be
Suddenly everything I ever wanted
Has passed me by Help me
Why do you have to be a heartbreaker?
