

# Music Is Power (Live At Kings College)

[Richard Ashcroft](#)

Music is power  
Let it flow through your mind  
Your just like a flower  
In the deep sunshineAre you invited  
To the party of life  
Now you've been sighted  
Do you live till you dieThese are wild wild wild days we live in,  
Yes I know sometimes we all wanna give inThese are strange strange vein days of living,  
Yea I know sometimes we all wanna give inDon't give up  
Oh no all right  
Let the melody flow  
All night all nightCause music is power  
It's easily sold  
Rocking like a cradle  
It won't let you goIf the melody's timeless  
It won't let you down  
Feel the air moving  
Submit to the soundIn these wild wild wild days you live in,  
Yes I know sometimes you all wanna give inThese are strange strange vein days of living,  
I know sometimes we all wanna give inDon't give up  
Oh no all right  
Let the melody flow  
All night all nightAfter all we go through  
The endless crime  
Bad days good fortune  
Are things you findCause music is the mantra  
Unwinding your head  
Music is the question  
To things unsaidThese are wild wild wild days you live in,  
Yeah I know sometimes we all wanna fit inThese are strange strange vein days of living,  
Yeah I know sometimes that ya just don't fit inDon't give in,don't give up  
Don't pack it up,stop cracking upLet the song  
Carry you on  
Keep you strongDon't wanna control ya  
Cause music is the powerSubmit to the sound  
Feel the air moving, moving  
Submit to the sound  
Feel the air moving, moving
