Got a feeling so high
You're held against the times
Got a feeling so high
You're held against the times
We can chase the night divineAnd I say..tongue-tied
Ooh.. and I don't know why
I can't come,'vine
Ooh.. is something on the lines
Ooh.. come,'vine
Ooh.. is something on the lines
Ooh.. back to you, back to you, back to you in my time
And you know..tongue-tied
Ooh.. and I don't know why
I can't come,'vine
Ooh.. is something on the lines
Ooh.. come,'vine
Ooh.. is something on the lines
Ooh.. back to you, back to you, back to you in my time
