

# Hey Love

**Jason Mraz**

Hey love, where you going to?  
You're not sleeping anymore, you're just trying to  
Stay love, where you running to?  
Awful happens all the time, don't let it kill you Easily with me  
I feel as fast as I can see  
Afraid of the horror stories  
I fall down on my knees Come away, come away  
From all these things unheard  
If a chosen word has got you cornered  
Then it's a lesson learned Like close the book before it burns you  
Come away, come away  
From all these things unseen At the price you paid I promise  
You won't believe anything they say  
Belief will only disappoint you In case you never noticed  
The path you never chose has chosen you.  
Afraid to face and break it  
The secret
