An Experiment In Homicide

Cannibal Corpse

Walk away into the dark
Come my way, terror
I am the evil within each soul
I take the spirits of those I killMurderedDecomposition, the body rots
Rotting, rotting body parts
I killed the first
To experimentI don't want to hurt you
I just want to kill youTorture, I start to cut
Carving, blood slowly clots
Horrors, mutilations
Homicidal experimentationI set the dead on fire
To decay in flame
Homicidal desireMore are marked for murder
More victims to captureButcheredBodies hang dead
Drained of all their blood
Pieces sewn on backwards
Neck with no heads, mutilated, deadHomicidal desire
More are marked for murder
More victims to butcher
