Run - Hide

Trouble Andrew

Run, run, hide, hide
Run, run, hide, hide
Run, run, hide, hide
Run, run, hide, hideStay to the morning darling
Stay to the morning darling
Stay to the morning
Run, runStay to the morning darling
Stay to the morning darling
Stay to the morning
Stay to the morningI wanna be your ecstacy
Feel the effects of me
Wanna stay high
Wanna feel you close to me
Where you're supposed to beI say walk with me
I see you runnin'
Baby, you should run to me
I see that you're incomplete
I'll give you something
You gon' get enough from meRun, run, hide, hide
Run, run, hide, hide
Run, run, hide, hide
Run, run, hide, hideStay to the morning darling
Stay to the morning
Stay to the morning
Run, run, hideI see your eyes on me
I'll keep your secrets
Baby, you can count on me
Stay here, let's disappear
No more cryin'
Honey, let me dry those tearsI wanna know
Do we really fall in love
I gotta know
Show me what it's made ofRun, run, hide, hide
Run, run, hide, hide
Run, run, hide, hide
Run, run, hide, hideStay to the morning darling
Stay to the morning
Run, run
Stay to the morning

Hide, hide, hideYou say you wanna know what's inside
Stick around and spend the night
Get to know me better
Turn on the bright lights and hold me tight
So much on my mind I don't know how I could define it
I know my ears can hear ya but my heart just thinks you're lyin'You should take my words and heed 'em
I'm quite the mess to get cleaned up
And if you say that you need one
I got a bed you can sleep on
But I'm not the girl to lean on
Too many times I've been beat on
Tellin' me how much you mean it
Just ask me how fast you're leavin'We know, we know, we know
Take my love and go, just go, just go
Go, go, go, goWait for me
Wait for me
