Kickin' Up Mud

The Lacs

Kickin' up mud (X3)

I'm just a country boy, With a big ole truck
The only way I ride, I keep it jacked up
I got some big tires, They make some big ruts
And every time I drive, Yeah, I be kickin' up mud (Kickin' up mud)
I got that realtree, Across the leather seats
I got two twelve's in the back, Bumpin' coming down the streets
I'm cranking Johnny Cash, I'm talking Man in Black
And if you don't like it then, Y'all can kiss my country ass (I'm kickin' up mud)
30.06 on my back gun rack
See a whitetail buck, Put him on his back
7mm or 12 gauge shotty
We ain't tryin' to get drunk and hurt nobody
Lordy lordy you got a sexy body
Just get muddy and shake it shawty
Crunk in the mud slap getting' drunk
Dirty dancing kickin' up mud

Big truck, big tires
Slangin' mud to the sky
Living low, riding high
Kickin' up mud in my 4 wheel drive
Kickin' up mud
Big truck, big tires
Slangin' mud to the sky
Living low, riding high
Kickin' up mud in my 4 wheel drive

Cut me loose let me go, I gotta go find that mud hole
Feel so sweet I just creep, But call it my riverado
Better bring your rope, bring your chain
We get riled up when it starts to rain
Like oh my, look at that truck
I bet ya a bill that it won't get stuck (Kickin' up mud)
Pulled up slow pulled up nice Mickey Thompson's 45's
Pretty little girl with some tanned up thighs
Askin' me if she can ride
Like what you think girl? Hop on in

Pick the hole and I'll drive it in
Floored the gas we slippin' slidin'
Paintin' that truck behind us
Uh! Oh! (Kickin' up mud)

Big truck, big tires
Slangin' mud to the sky
Living low, riding high
Kickin' up mud in my 4 wheel drive
Kickin' up mud
Big truck, big tires
Slangin' mud to the sky
Living low, riding high
Kickin' up mud in my 4 wheel drive

I got some claws on them super swampers
Pokin' out the sides
I'm sittin' tall, holla at me if ya wantin' to ride
I guessin' all these sexy women
Tryna jump in my truck
I'm just a river ridin' junkie
And I'm kickin' up mud
Kickin' up mud (X4)
Naww!

Big truck, big tires
Slangin' mud to the sky
Living low, riding high
Kickin' up mud in my 4 wheel drive
Kickin' up mud
Big truck, big tires
Slangin' mud to the sky
Living low, riding high
Kickin' up mud in my 4 wheel drive

I think he's stuck!
