

Can I?

David Peaston

Can I
Have a talk with you
Can I
Make a dream come true
OOOOOh Can I
Be in love with you
(speak: Here is why I need to know)
Cause I..... would, if I could
(speak: Let your mind relax and lay your head on my heart)Can I
Set your soul on fire (ooh baby)
Can I Can I Can I Can I
Be your one and only desire
Ooooooh Can I, Can I , Can I
Be in love with you (speak: You see)
IIIIIII.....would, if I couldMaybe you are lonely
and just haven't realized
that I'm lonely tooAnd all I want to do is bring happiness to me and youOOOOOOOOOhhhhh..... Can I, Can I,
