

# When You Were Young

## The Killers

You sit there in your heartache  
Waiting on some beautiful boy to  
To save you from your old ways  
You play forgiveness  
Watch him now, here he comesHe doesnt look a thing like Jesus  
But he talks like a gentleman  
Like you imagined when you were youngCan we climb this mountain? I dont know  
Higher now than ever before  
I know we can make it if we take it slow  
That's takin' easy, easy now, watch it goWere burning down the highway skyline  
On the back of a hurricane that started turning  
When you were young  
When you were youngAnd sometimes you close your eyes  
And see the place where you used to live  
When you were youngThey say the Devils water it aint so sweet  
You dont have to drink right now  
But you can dip your feet  
Every once in a little whileYou sit there in your heartache  
Waiting on some beautiful boy to  
To save you from your old ways  
You play forgiveness  
Watch him now, here he comesHe doesnt look a thing like Jesus  
But he talks like a gentleman  
Like you imagined when you were young  
(Talks like a gentleman)  
(Like you imagined when)  
When you were youngI said he doesnt look a thing like Jesus  
He doesnt look a thing like Jesus  
But more than youll ever know
