

Love Ain't Gonna Let You Down

Jamie Cullum

VERSE ONE:

Everyone knows that I'm rightfully yours
So bring out your dead from your previous wars
So lay thee to rest

'cause I'm chasing away all the dust that you're leaving behind

CHORUS:

Because Love ain't gonna let you down
love ain't gonna let you down no more (hmm)

Because Love ain't gonna let you down
love ain't gonna let you down no more 'Cause I'll turn your world around
and love ain't gonna let you down (hm)

VERSE TWO:

So you wear your heart like a brooch for all to see
But the blood that pumps through
So will you save that for me
I've sweetened my tongue

And I've sharpened my words and my wit

And I've written my lines

CHORUS:

Because Love ain't gonna let you down
love ain't gonna let you down no more
Because Love ain't gonna let you down

love ain't gonna let you down no more 'Cause I'll turn your world around
and love ain't gonna let you down (hm)

BRIDGE:

Feel it burning like a bomb raging
a thousand summers grazing on your skin
restlessly anticipating so many tiny things

The pursuit of love consumes us all

I'll be your Fabrice without the war

Do you dream about it written for

Bursting with all all of the weight of a million rhymes

CHORUS (2x)
