The Lottery

Circa Survive

If I gotta guess it I will
I think it's 310-143-1437
Baby if I press it then will I get to you?
Let me know, what is your number girl?Every minute is worth a dime of spending
You can change my whole life if you with it
I chart, one in a billion
My heart, I bet on you if I just get your number[Chorus]
Girl if I put your number in my phone
I hope that it's the right one
Girl if I did then
I'm goin' in tonight hon
It could mean a lot for me
I think I done hit the lottery, baby yeah
Think I hit the lottery, baby yeahGet on this investment 'cause if you bet on me
Then we can go anywhere in love it's nothing
If I leave a message I hope that it comes through
Let me know, if I'm the one, girlEvery minute is worth a dime of spending
You can change my whole life if you with it
I chart, one in a billion
My heart, I bet on you if I just get your number[Chorus]Think I hit the lotteryIf you choose me (girl I promise)
If you choose (I'll be honest)
If you choose me (won't abuse it)
If you choose me
And if you choose me
And if you choose
And if you choose me
And if you choose (I'mma love you)[Chorus](Can I get your number?)Girl let me get that number, hit the jackpot girl
Your like the lottery, your like the lottery yeah
Girl let me get that number, hit the jackpot girl
Your like the lottery, your like the lottery yeahGirl let me get that number, hit the jackpot girl
Your like the lottery, your like the lottery yeah
Girl let me get that number, hit the jackpot girl
Your like the lottery, your like the lottery yeah
