Be My Baby (Album Version)

Leslie Mendelson

The night we met I knew
I needed you so
And if I had the chance
I'd never let you goSo won't you say you love me
I'll make you so proud of me
We'll make 'em turn their heads
Every place we goSo won't you please
Be my little baby
Say, be my darlin'
Be my baby nowI'll make you happy, baby
Just wait and see
For every kiss you give me
I'll give you threeOn the first day I saw you
I had been waiting for you
You know I will adore you
Till eternitySo come on and please (be my baby)
Be my little baby (be my baby)Say, be my darlin' (be my baby)
Be my baby now (be my baby)Yeah, yeah, yeah
(Be my baby)
Be my baby (be my baby)
Say, be my darlin' (be my baby)
Be my baby now(I want you to be)
When I'm dreaming in the middle of the night
(I want you to be)
Someone tell me every thing is alright
(I want you to be)
You're my lover my best friend
I wanna be with you until the end
(I want you to be)
When I see you walking down the street
(I want you to be)
I know we're walking to a different beat
(I want you to be)
All I wanna do is hold your hand
What can I do to make you understandI want you to be
I want you to be mine
Come on, baby
