

Grief Hammer

The Darkness

Ahhh Yeah!

(Grief)

Yes it's Grief Hammer time

(Hammer)

(Grief)

Yeah it's Grief Hammer time

D-I-Why not,

Commission my erection

Tool for hire,

Manual love

Rigger boots and dungarees,

And a grimace

(Grief)

Yes it's Grief Hammer time

(Hammer)

(Grief)

Yeah it's Grief Hammer time

It's an odd job,

But someone's gotta do it

Jack of all trades,

Masters of Love

I'm a handy man to have around,

In a fight

(Grief)

Yes it's Grief Hammer time

(Hammer)

(Grief)

Yeah it's Grief Hammer time

(Hammer Time)

Hammer, hammer, hammer, hammer

Hammer, hammer, hammer, hammer,

Oh it's Hammer Time!

Yeah it's Grief Hammer time
(Grief)
