C'mon C'mon

Olly Murs

when you walked in the room
i thought i'd forgotten you
turns out it isn't true after all
and now i do regret all the things i said
i can't take this any more
I want you
and i'm telling you woah
c'mon c'mon I know i was wrong
throw my hands up and take the blame
i still belive in you and me
do you feel the same
i'm sitting there waiting for ya
and baby i can't ignore ya
c'mon c'mon c'mon c'mon woo hoo hoo hoo
I'll do overtime just to make you mine i can't remember why i left you behind
things that i should'ave done
i was having too much fun
oh why did i let you go
i want you
and i'm telling you woah
c'mon c'mon
i know i was wrong
throw my hands up and take the blame
i still believe in you and me
do you feel the same
i'm sitting there waiting for ya
and baby i cant ignore ya
i just adore ya
and i can't get you out of my head
c'mon c'mon c'mon c'mon
woo hoo hoo hoo hoo
woo hoo hoo hoo hoo
i was such a fool
oh i was so damn cruel
but i'm willing to change
i wanna be your man again
c'mon c'mon
i know i was wrong
throw my hands up and take the blame

i still believe in you and me
do you feel the same
i'm sitting there waiting for ya
and baby i cant ignore ya
i just adore ya
and i can't get you out of my head
c'mon c'mon c'mon c'mon
woo hoo hoo hoo hoo
oh i wanna be your man
oh oh oh oh oh
oh girl i wanna be your man
