

# The Unforgiven II

## Metallica

Lay beside me and tell me what they've done  
And speak the words I wanna hear to make my demons run  
The door is locked now but it's open if you're true  
If you can understand the me then I can understand the you Lay beside me, under wicked sky  
Through black of day, dark of night, we share this, paralyzed  
The door cracks open but there's no sun shining through  
Black heart scarring darker still but there's no sun shining through  
No there's no sun shining through, no there's no sun shining What I've felt, what I've known  
Turn the pages, turn the stone  
Behind the door, should I open it for you? Yeah, what I've felt, what I've known  
Sick and tired, I stand alone  
Could you be there  
'Cause I'm the one who waits for you  
Or are you unforgiven too? Come lay beside me, this won't hurt I swear  
She loves me not, she loves me still but she'll never love again  
She lay beside me but she'll be there when I'm gone  
Black hearts scarring darker still, yes she'll be there when I'm gone  
Yes she'll be there when I'm gone, dead sure she'll be there What I've felt, what I've known  
Turn the pages, turn the stone  
Behind the door, should I open it for you? Yeah, what I've felt, what I've known  
Sick and tired, I stand alone  
Could you be there  
'Cause I'm the one who waits for you  
Or are you unforgiven too? Lay beside me, tell me what I've done  
The door is closed so are your eyes  
But now I see the sun, now I see the sun  
Yes now I see it What I've felt, what I've known  
Turn the pages, turn the stone  
Behind the door, should I open it for you? Yeah, what I've felt, what I've known  
So sick and tired, I stand alone  
Could you be there  
'Cause I'm the one who waits  
The one who waits for you Oh, what I've felt, what I've known  
Turn the pages, turn the stone  
Behind the door, should I open it for you?  
(So I dub thee unforgiven) Oh, what I've felt  
Oh, what I've known  
I'll take this key and I'll bury it in you  
Because you're unforgiven too Never free, never me

Because you're unforgiven too
