Only Solutions

Journey

In the jungle I run tonight
Find no peace to logical life
No confusion, just wrong or right
Oh yeahFaces, numbers I recognize
You don't fool me with cynical lies
No problems, no compromise
Oh yeahOnly solutions
Dont pull me down, I just wanna hear
Only solutions
Oh, it wont be long, it wont take too longModern times drive me insane
Explanations I cant explain
Leaves me standing in the rain
Oh yeahSolving mysteries with nothing to lose
Magic leaves you without any clues
Theres only so much one man can do
Oh yeahOnly solutions
Dont pull me down, I just wanna hear
Only solutions
Oh it wont be long, it wont take too longOnly solutions
Dont pull me down, I just wanna hear
Now that the sun is shining
Clear vision, clear visionIn the jungle I run tonight
Find no peace to logical life
No confusion, just wrong or right
Oh yeahFaces, numbers I recognize
You dont fool me with cynical lies
No problems, no compromise
Oh yeahOnly solutions
It's my point of view
Only solutions
Oh, clear visionOnly solutions
No second thoughts
Only solutions
No, no, no contradictions[Incomprehensible]
No escape
