Give Me Your Love (2000 Remaster)

[The Babys](#)

Give me your love
Ah I need that thing real bad
Give me your love
Ah baby you're drivin' me mad
Give me your love
Give me your hands
Ah babe I want to feel your touch
Give me your hands babe
Nothin' could ever mean as much
Give me your love
Oh babe feels like I'm falling
(Oh oh oh)
Ah sugar pie feels like I'm falling
Feel like a fool
Give me your love
Ah I need it right away
Give me your love
Ah babe there's nothin' else to say
Give me your love no
Give me your love ooh
Oh babe feels like I'm falling
(Oh oh oh)
Ah sugar pie feels like I'm falling
Feel like a fool
Give me your love
Give me your love
Yeah
Give me your love
Give me your love
Give me your love
Give me your love
Give me everything
