Until We're Dead

Overworld

All my life I've been waiting for something else
Something is burning within
Reaching out for the dream I've been keeping safe
Closer than ever beforeLived a life built on fakeness and promises
This is the end of that road
Our tomorrow looks brighter than yesterday
We are the ones who will win this gameBreaking out
Breaking free
Start up this chapterWe are running
We are screaming
Raise your voices, say whoa-oah-oah-oah
They may hate us
And betray us
But we'll never return back againWe're not stopping until we're dead(Instrumental)Become the one you're born to be
(Devotion)
Create yourself, your mind is freeWe are running
We are screaming
Raise your voices, say whoa-oah-oah-oah
They may hate us
And betray us
But we'll never return back againWe are running
We are screaming
Raise your voices, say whoa-oah-oah-oah
Let them hate us
And betray us
We're never stopping no matter how farForgotten
Forgiven
This life we are living
A new time is coming
So never look back no moreHey! Hey! Hey! Hey! Hey! Hey! Hey!
Come on!
Hey! Hey! Hey! Hey! Hey! Hey!
