

Unto Us

Matthew West

Who are we that a King would trade Heaven's riches
For a stable and a manger low
Can it be, Great I am bending down to reach us
Morning star, let this dark world know Here is our promised one
Jesus, our hope has come Unto us, unto us
A child is born
Unto us, unto us
A son is given
Glory to God in the highest
Wonderful, Prince of Peace
Emmanuel, has come to set captives free
And with the angels we sing
"Glory to God in the highest..."
He has brought this great love
Unto us
Who are we that a King would still walk among us
Knowing He would only live to die
Cross of shame, crown of thorns He still chose to carry
Beauty broken, breathing us new life Here is our promised one
Jesus, our hope has come Unto us, unto us
A child is born
Unto us, unto us
A son is given
Glory to God in the highest
Wonderful, Prince of Peace
Emmanuel, has come to set captives free
And with the angels we sing
"Glory to God in the highest..."
He has brought this great love
Unto us
Emmanuel, Emmanuel, Emmanuel
Love has come Unto us, unto us
A child is born
Unto us, unto us
A son is given
Glory to God in the highest
Wonderful, Prince of Peace
Emmanuel, has come to set captives free
And with the angels we sing

"Glory to God in the highest...."

He has brought this great love

Unto us
