# Keep You With Me

## Hot Chelle Rae

I gotta keep you with me
Ohhh, ohhhh
Ohhh, ohhhh, ohhCatch my flight, 6am
Gonna be gone till who knows when
Here I goI squeeze you tight one last time
I use my shirt to dry your eyes
Gotta let goWhen I'm gone all the nights are so long
We've got to hold on, on, onDays go by
and yeah I've always got you on my mind, oh
Cause I keep you with me
Say your name
I cant touch you but it feels the same, oh
I gotta keep you with meOhhh, ohhhh
Ohhh, ohhhh, OhhI still smell like your perfume
Damn I wish you were in this room
In my bedI toss and turn as I try to dream
Our love plays out like a movie scene
In my headDays go by
and yeah I've always got you on my mind, oh
Cause I keep you with me
Say your name
I cant touch you but it feels the same, oh
I gotta keep you with meOhhh, ohhhh
Ohhh, ohhhh, OhhWhen I'm gone all the nights are so long
We've got to hold on, on, onCatch my flight, 6am
One last stop and I'm home again
Here I go(Ohhhh)
Days go by
(Days go by)
and yeah I've always got you on my mind, oh
(and I've always got you on my mind)
Say your name
(I say your name)
I cant touch you but it feels the same, oh
(I cant touch you, nooo)
I gotta keep you with meDays go by
(6am, one last stop and I'm home again)
and yeah I've always got you on my mind, oh
(I'm comin, comin home again)

Cause I'm keeping you with me
Say your name
I cant touch you but it feels the same, oh
I gotta keep you with meOhhh, ohhhh
