Morning Parade

It's a blue, bright blue Saturday, hey, hey
And the pain has starting to slip away, hey, hey
I'm in a backless dress on a pastel ward that's shining
Think I want you still but it may be pills at work
Do you really wanna know how I was dancing on the floor?
I was trying to phone you when I'm crawling out the door
I'm amazed at you, the things you say that you don't do
Why don't you ring?
I was feeling lonely, feeling blue
Feeling like I needed you
Like I'm walking up surrounded by me

It's a blue, bright blue Saturday, hey, hey
And the pain has starting to slip away, hey, hey
I'm in a backless dress on a pastel ward that's shining
Think I want you still but it may be pills at work
How did I get to accident emergency?
All I wanted was you to take me out high
I was feeling lonely, feeling blue
Feeling like I needed you
Like I hoped you'd call and hoped you'd see me
