

# Six Deep

## Eric Gales

### VERSE 1:

Girl I really thought you loved me  
But you was just going through a phase  
And then you spent all my money

And left me in a fiery blaze  
Now you come back lookin'  
For what's left of your kill

But I'm sorry to dissapoint you, baby  
Ain't no bones buried in this field

PRE-CHORUS 1:  
You can love me  
Then like me  
Then need me  
Then want me

So go on away from here ('Cause I'm tellin' you that)

### CHORUS:

I don't want your blood on my hands  
You better move on while you stand on your feet  
You oughta run just as fast as you can

Before I go and grab my gun and load it six deep

VERSE 2:  
I heard you ran off with your lover  
And thought you found a better catch  
I heard he used and abused you  
And left your life in a terrible mess  
Now you come back scratchin'  
Like a hound dog at my door  
But I ain't fallin' for your tail waggin'  
'Cause I don't want you anymore

### PRE-CHORUS 2:

So don't call me  
Don't write me  
Don't text me  
Don't tweet me

Just go back where you've been ('Cause I'm tellin' you that)

CHORUS:  
I don't want your blood on my hands  
You better move on while you stand on your feet  
You oughta run just as fast as you can

Before I go and grab my gun and load it six deep(Guitar Solo)

VERSE 3:  
I hope that you pursue your passion  
May you find what your lookin' for

And I hope you learned your lesson  
That all is fair in love and war  
But I'll never forget you  
And the pain you put me through  
'Cause you're the one that I thought was for me  
But you're the one that I never knew

PRE-CHORUS 3:

You can love me  
Then like me  
Then need me  
Then want me  
So go on away from here  
So don't call me  
Don't write me  
Don't text me  
Don't tweet me

Just go back where you've been ('Cause I'm tellin' you that)CHORUS:

I don't want your blood on my hands  
You better move on while you stand on your feet  
You oughta run just as fast as you can

Before I go and grab my gun and load it six deep(Guitar solo)(CHORUS FADES)
