Damn Thing

Pistol Annies

Been washed in the blood of the Lamb
And I washed blood off of my hands
And I can't do a damn thing about it
Been taught to love but I love to hate
And my mama tried, for Heaven's sake
I can't do a damn thing about it

It's a damn shame that I can't change
I can't undo everything I'd like to
So I roll on and I shout it
'Cause I can't do a damn thing about it

I work all day, love all night
Try to keep up with the time
But I can't do a damn thing about it
Way this ol' world spins around
You can't settle up, you can't settle down
And I can't do a damn thing about it

It's a damn shame that I can't change
I can't undo everything I'd like to
So I roll on and I shout it
'Cause I can't do a damn thing about it

Roll on

Well hearts and pick-up trucks break down
Tires go flat and boys come 'round
And I can't do a damn thing about it
You can go down or you can get outta here
I just pray to God we got enough beer
To last us 'til the morning

One, two, three

It's a damn shame that I can't change
I can't undo everything I'd like to
So I roll on and I shout it
'Cause I can't do a damn thing about it
No, I can't do a damn thing about it
