

# War/Subvert

## Zounds

War - War - War - War There's war in Afghanistan  
And war in Northern Ireland  
And war in South America  
And war in Africa And war - Violence  
War - Oppression There's violence in London  
And violence in Bristol  
And violence in New York  
And violence in Moscow And war - Violence  
War - Oppression There's war in Heaven  
Unrest on Earth  
And war in my head  
And war in my house And war - War - War - War -- Subvert - Subvert - Subvert - Subvert If you gotta job  
You can be an agent  
You can work for revolution  
In your place of employment If you gotta job you can be an agent  
You can work for revolution in your place of employment  
If you work in a factory throw a spanner in the works  
Internal sabotage, hit them where it hurts Subvert - Subvert - Subvert - Subvert If you gotta job  
Where they treat you like a slave  
Where they treat you like a zombie  
In their corporate grave If you work in a office making tea for the bosses  
While they are getting richer on ten time your pay  
They may think you're stupid but you're working undercover  
You've got the potential to disobey Subvert - Subvert - Subvert - Subvert If you've got a job  
Cause there's nothing else to do  
Where they think they've got you trapped in  
The boxes that they choose If you've got a job you can be an agent  
If you work in a kitchen you can redistribute food  
If you are a policeman ordered to arrest me  
You don't have to do it, you can refuse Subvert - Subvert - Subvert - Subvert Subvert - Subvert - Subvert -  
Subvert If you gotta job  
You can be an agent  
You can work for revolution  
In your place of employment If you gotta job you can be an agent  
You can work for revolution in your place of employment  
If you work in a factory throw a spanner in the works  
Internal sabotage, hit them where it hurts Subvert - Subvert - Subvert - Subvert
