

# The Seventh Seal

## Creinium

Oh yeah  
Walk me down to the wishin' well  
Help me find that miracle  
Splash that holy water on me  
Drown my faith in Trinity, yeah  
Oh, Lord  
Little by little gonna get it I swear  
One more piece of the puzzle, I'm there, yeah  
Gotta get lucky, gotta get that done  
Little bit of luck never hurt no one  
Come on take me down, down, down, down  
I'm in a cold sweat  
Lord, don't let me drown, drown, drown, drown  
In Mother Earth's soul yet  
Oh yeah, yeah  
Under darken skies  
We'll see the light  
Yeah

Broken now, I can't help but feel  
Someone cracked the seventh seal  
Nothin' sacred, nothin' left unturned  
When nothin's simple, then nothin's learned  
So take me down to the virgin spring  
Wash away my suffering, oh  
Splash that holy water on me  
Wash my eyes so I can see  
Come on take me down, down, down, down  
I'm in a cold sweat  
Yeah, don't let me drown, drown, drown, drown  
In Mother Earth's soul, not yet  
Lord, I think I found, found, found, found, found  
My mother, Lord  
Oh yeah  
Lord, Lord, Lord, Lord, Lord, Lord  
Yeah down, down, down, down, down, down  
Take me down, down, down, down, down, down  
Take me
