Anything, Anything

Dramarama

Advisory - the following lyrics contain explicit language:

Okay, what is it tonight?
Please just tell me what the hell is wrong?
Do you wanna eat? Do you wanna sleep?
Do you wanna drown?
Just settle down, settle down, settle downI'll give you candy, give you diamonds
Give you pills, give you anything you want
Hundred dollar bills
I'll even let you watch the shows you wanna see
Just marry me, marry me, marry meI'm so sick of you tonight
You never stay awake when I get home
Is something wrong with me?
Something wrong with you?
I really wish I knew, wish I knew, wish I knewI'll give you candy, give you diamonds
Give you pills, I'll give you anything you want
Hundred dollar bills
I even let you watch the shows you want to see
Because you marry me, marry me, marry me
Marry me, marry me, marry meI was young, I learned a game
That love and happiness were the same
Now I'm older and I don't play
I found out the hardest wayI got wasted, she got mad
Called me names then she called her dad
He got crazy and I did too
Wondered what I did to youI gave you candy, gave you diamonds
Gave you pills, I gave you anything you want
Hundred dollar bills
I even let you hear the songs I want to sing
I gave you anything anything anythingI'll give you anything, anything, anything
I'll give you anything, anything, anything
Anything, anything, anything
