

Troubles Good-Bye

Jimmy Liggins

Tell all your troubles goodbye
Baby you donâ€™t have to cry
Oh jump and jive, keep alive
Tell all your troubles goodbye

Go on and have your fun
Have a ball when your work is done
Play with your baby, keep revived
Tell all your troubles goodbye

Yes its an ugly night
Everythingâ€™s really all right
Go out and party from five to five
Tell all your troubles goodbye

Go wild and drink your lunch (?)
A little but not too much
Donâ€™t get drunk get groovy get high
Tell all your troubles goodbye

Baby now Iâ€™ve had my say
Iâ€™ll swing until the break of day
Wine women song and jive
Tell all your troubles goodbye
