

# Radio

## Rancid

Never fell in love until I fell in love with you  
Never know what a good time was until I had a good time with you  
If you wanna get the feeling and you wanna get it right  
Then the music gotta be loud  
For when the music hits I feel no pain at all You know  
Warm summer night I was drinking with my dad  
He tried to give me the love that I never had  
But he gave more love to his bottle of wine  
So I had to go out and find love of another kind Here it is, here I am, turn it up, fuckin' loud  
Radio, radio, radio, radio, radio, radio, radio  
When I got the music, oh I got a place to go  
Radio, radio, radio, radio, radio, radio, radio  
When I got the music, oh I got a place to go The radio clash, magnificent 7  
I was a choir boy, you showed me no heaven  
Two tools surely lost  
No remorse ignoring the cost Here it is, here I am, turn it up, fuckin' loud  
Radio, radio, radio, radio, radio, radio, radio  
When I got the music, oh I got a place to go  
Radio, radio, radio, radio, radio, radio, radio  
When I got the music, oh I got a place to go Don't shut, no Here it is, here I am, turn it up, fuckin' loud  
Radio, radio, radio, radio, radio, radio, radio  
When I got the music, oh I got a place to go  
Radio, radio, radio, radio, radio, radio, radio  
When I got the music, oh I got a place to go When I got the music, oh I got a place to go  
When I got the music, oh I got a place to go  
Oh I got a place, oh I got a place, oh I got a place to go  
When I got the music, oh I got a place to go When I got the music, oh I got a place to go  
When I got the music, oh I got a place to go  
When I got the music, oh I got a place to go  
When I got the music, oh I got a place to go
