

# After the Love (PH Electro Radio Edit)

## R.I.O.

After the love shine down on me  
I see beautiful people love and you rise, me say  
Oh yeah Beautiful people come down on, right Me see the sunrise, I wanna get down down down  
The tide is rising high, all the way  
No raindrop in the sky, no reason to run run run  
Watch all these spirits fly, sees the day Be one generation, join the love foundation  
We'll make it all the way  
To a brighter day now  
Feel the desperation  
Every human nation  
All around the world go feel it After the love shine down on me  
I see the beautiful sunlight rising above the world  
What me say now After the love shine down on me  
All ya beautiful people love and you rise, me say Me see the sunrise, I wanna get down down down  
The tide is rising high, all the way  
There's a night we'll learning, feel the fire burning  
It will shine a light to the darkest night yo  
No more compromising, feel the hope is rising high, right It was deeper sink  
And me fall down  
Into new river blow  
One world, one heart  
And one understanding yo  
No corruption  
There's love a spread you know  
As them duelling deep inside you
