

# Lakini's Juice (Promo CD Single)

## Live

it was an evening I shared with the sun  
to find out where we belong  
from the earliest days  
we were dancing in the shadows  
more wine  
'cause I got to have it  
more skin  
'cause I got to eat it  
inside the outside  
by the river  
used to be so calm  
used to be so sane  
I rushed the lady's room  
took the water from the toilet  
washed her feet and blessed her name  
more peace  
is such a dirty habit  
slow down, we're too afraid  
Let me ride  
Let me ride  
Burn my eyes  
Let me ride
