Just Like We Did Back Then

AFTRHOURS

Lets lay in bed until the day is over
Listen to the bands we love and forget that we got older
Get out those tie-dye t-shirts out my parents storage
And wear them just like we did back then
Back when our problems always seemed too big, but our loves seemed like it'd never end
And the flaws we wished we could have fixed
Are just memories we wont forget
I wanna feel just like we did back then, cause we were never feeling down, down, downI wanna feel just like we did back then
Down, down, down
I wanna feel just like we did back then
Lets drink and go some place we've never gone
Maybe we'll let go of some memories we've had too long
I lost track of photografs we pinned up on the wall
We could take new ones, just like we did back then
Back when our problems always seemed too big
But our love seemed like it'd never end
And the flaws we wished we could have fixed
Are just memories we wont forget
I wanna feel just like we did back then, cause we were never feeling
Down, down, downI wanna feel just like we did back then
Down, down, down
I wanna feel just like we did back then
Down, down, down
Lets lay in bed until the day is over
Down, down, down
When we wake feeling older than we are now
At least we wont feel down
Down, down, downI wanna feel just like we did back then
Down, down, down
I wanna feel just like we did back then
