

(What A) Wonderful World

Herman's Hermits

Don't know much about history
Don't know much biology
Don't know much about a science book,
Don't know much about the french I took.
But I do know that I love you,
And I know that if you love me, too,
What a wonderful world this would be.

Don't know much about geography,
Don't know much trigonometry.
Don't know much about algebra,
Don't know what a slide rule is for.
But I do know that one and one is two,
And if this one could be with you,
What a wonderful world this would be.

Now, I don't claim to be an "A" student,
But I'm tryin' to be.
For maybe by being an "A" student, baby,
I can win your love for me.

Don't know much about history,
Don't know much biology.
Don't know much about a science book,
Don't know much about the french I took.
But I do know that I love you,
And I know that if you love me, too,
What a wonderful world this would be.

History
Biology
Science book
French I took.
But I do know that I love you,
And I know that if you love me, too,
What a wonderful world this would be.
