## Helvetia

I know everyone you know  
you know everyone i know  
our venn diagrams are one circleyou grow up when I'm not looking  
we grow apart without knowing  
and all of a sudden I'm leavingso I say I'm sorry I can't, I've got plans  
'cause I watch the time slip through my hands  
what you don't know now one day you'll learn  
growing up is a heavy leaf to turn, a heavy leaf to turntake me with you  
'cause even on your own, you are not alone  
take me with you  
'cause even by yourself, my love, you are somethin elseone summer turns into ten summers  
one lover turns into ten others  
but this memory is still with meso close bring me in so close  
your clothes underneath my clothes  
once upon a time in PORTUGALso I say I'm sorry I can't, I've got plans  
'cause I watch the time slip thru my hands  
what you don't know now one day you'll learn  
growing up is a heavy leaf to turn, a heavy leaf to turntake me with you  
'cause even on your own, you are not alone  
take me with you  
'cause even by yourself, my love, you are somethin elseno matter what you want  
somebody else wants it just as bad  
no matter what you got  
somebody else has got it worse  
no matter when I got to you  
somebody else got to you firstso I say I'm sorry I can't, I've got plans  
'cause I watch the time slip thru my hands  
what you don't know now one day you'll learn  
growing up is a heavy leaf to turn, a heavy leaf to turntake me with you  
'cause even on your own, you are not alone  
take me with you  
'cause even by yourself, my love, you are somethin else
