Girlfriend

Bobby Brown

I remember the very first time
You the picture of love in my heart
You and me, girl, holding hands
Please be my lady, won't you understand
(I need a girlfriend) I need a girlfriend
And I need her right now
Loving, kissing, holding you tight
Never letting go
(I need a girlfriend) I need a girlfriend
And I need her right now
Can I call you, would that be all right
Maybe Friday or Saturday night
Girl, I think of you all the time
'Cause it's you that I need, girl, and you're always on my mind
(I need a girlfriend)
And I need you right now
Loving, kissing. holding you tight
Never letting go
(I need a girlfriend) I need a girlfriend
And I need you right now
Loving, kissing, holding you tight
And keeping you warm, oh, yeah
I need a girl
Who feels like I do
Could it be you
So please help me yeah, yeah
(Girlfriend)
Gotta have your love, oh, baby
Loving, kissing, holding you tight
Never letting go
(I need a girlfriend) I need a girlfriend
And I need you right now, no
Loving, kissing, holding you tight
And keeping you warm, baby
Someone just like you
I...oh, girl

It's you that I want, girl, and I need you right now
I really need you so, yeah, baby

It's you that I want, girl, and I want you right now
I really need you so, I need you, baby
I just want to love you and kiss you and hold you so tight
Whoa, baby, yeah, can I do that to you, sweetheart
I just wanna love you and kiss you and hold you so tight
Whoa, baby, no...you know what I mean, girl
(I need a girlfriend)
(I need a girlfriend)
(I need a girlfriend)
(I need a girlfriend)
I need a girlfriend, would you be my girl
This is Bobby talking
(I need a girlfriend)
La-la-la-la-la-la-la, woo
(I need a girlfriend)
La-la-la-la-la-la-la
(I need a girlfriend)
I...
(I need a girlfriend)
La-la-la-la-la-la-la
(I need a girlfriend)
I said la-la-la-la-la-la-la
(I need a girlfriend)
Oh, girl, you know what I
(I need a girlfriend)
You know what I need now
So it's up to you to give me what I need
(I need a girlfriend)
And I do need a girlfriend
So, um, let's take some time and let's take it slow
(I need a girlfriend)
But surely we should be together
(I need a girlfriend)
You gotta answer me some time today, baby
'Cause I can't wait no more
I love you
