

# Not Enough Time

INXS

And I was lost for words in your arms  
Attempting to make sense of my aching heart  
If I could just be everything and everyone to you  
This life would be just so easy  
Not enough time for all that I want for you  
Not enough time for every kiss  
And every touch and all the nights  
I wanna be inside you  
We will make time stop  
For the two of us  
Make time stop  
And listen for our sighs  
Not enough time for all that I want for you  
Not enough time for every kiss  
And every touch and all the nights  
I wanna be inside you  
Make time stop  
Make time stop  
In our fight against the end  
Making love, we are immortal  
We are the last two left on earth  
And I was lost for words in your arms  
Attempting to make sense of my aching heart  
If I could just be everything and everyone to you  
Not enough time for all that I want for you  
Not enough time for every kiss  
Not enough time for all my love  
Not enough time for every touch  
Make time stop  
Make time stop  
Not enough time for all that I want for you  
Not enough time for every kiss  
And every touch and all the nights  
I wanna be inside you  
We will make time stop  
For the two of us  
We will make time stop  
We will make time stop  
For the two of us  
We will make time stop
