Good love

Lyrics and Composition by Moran Levi

Baby, take my hand
And youâ€™ll understand
What the future holds for you
Youâ€™ll be a happy man
And youâ€™ll have a plan
To be happier as two

You will have a strong emotion
You will take the step
You will feel your lifeâ€™s in motion
You will need no help
Cause â€œ

If youâ€™ll let me stay the night
I will make you want me forever
Donâ€™t be scared to take the flight
To a good love, itâ€™s a good love

So you think you know
Cause not long ago
Youâ€™ve been burning pretty hard
You will take it slow
You will start to grow
Youâ€™ll enjoy the good love

Si me dejas a quedar
Voy a verte mío para siempre
No te miedas a volar
Good love

No tengas miedo sentir y decir
Amor es un premio que hay que elegir
Dame entrar y dejarme abrir
A tu corazón

Tu mano me diga que vas a ganar
Vas a tener la pasi3n
Vas aprender lo que a amar
Vas a olvidar que tenias un miedo

Puedo estar la mujer que te salva
Passion que conquista, te tienen y te lleva
La que tu te quieres, y sue±es y extranas
La que te vas a morir por ella
y mueres por ella
