

# Jesus Can Work It Out

Kurt Carr

We wanna go back to the old school for a minute  
Hand clappin' and toe tappin'  
We wanna visit our friends over in Chicago  
Sister Albatina Walker  
Inez Andrews, The Baron Sisters  
Clay Evans and Father Hayes  
And the Cosmopolitan Church of Prayer  
Jesus can work it out  
Jesus can work it out  
Jesus can work it out  
Jesus can work it out  
That problem that I had  
I just couldn't seem to solve  
I tried and I tried  
But I kept gettin' deeper involved  
So I turned it over to Jesus  
And I stopped worryin' about it  
Turned it over to the Lord  
(He worked it out)  
Jesus  
(Jesus can work it out)  
If you let Him  
(Jesus can work it out)  
I said Jesus  
(Jesus can work it out)  
Jesus  
(Jesus can work it out)  
That pain that would not move  
Had me prayin' in the upper room  
(Upper room)  
That burning that I bore  
(I bore)  
Just wonderin' how much more  
(Much more)  
I turned it over to Jesus  
(Jesus)  
And I stopped worryin' about it  
(Bout it)  
Turned it over to the Lord

He worked it out  
(Oh yeah, oh)  
Jesus  
(Jesus can work it out)  
If you let Him  
(Jesus can work it out)  
I said Jesus  
(Jesus can work it out)  
I know Jesus  
(Jesus can work it out)  
That habit that I had  
(I had)  
I just couldn't seem to break  
(To break)  
I prayed and I prayed  
(I Prayed)  
But I thought it'd be too late  
(Too late)  
So I turned it over to Jesus  
(Jesus)  
And I stopped worryin' about it  
(About it)  
So I turned it over to Jesus  
(Jesus)  
And I stopped Worryin' about it  
(About it)  
I said I stopped worryin' about it  
(About it)  
I said I stopped worryin' about it  
(About it)  
Turned it over to the Lord  
(He worked it out, oh yeah)  
Oh, come on, turn  
He can  
(Work it out)  
He can work it out  
(Work it out)  
He can work it out  
(Work it out)  
What are you tryin' to figure it out?  
(Work it out)  
He's already worked it out  
(Work it out)  
How you gonna pay your rent  
(Work it out)

All your money's spent  
(Work it out)  
A little bit to buy some food  
(Work it out)  
Baby need a pair of shoes  
(Work it out)  
Say you got a light bill due  
(Work it out)  
And you got a gas bill too  
(Work it out)  
Telephone disconnect  
(Work it out)  
Waitin' on your next pay check  
(Work it out)  
Tell ya what you oughta do  
(Work it out)  
Tell ya what you oughta do  
(Work it out)  
Tell ya what ya oughta do  
(Work it out)  
I'll tell ya what you oughta do  
(Work it out)  
He can work it out  
(Work it out)  
He can work it out  
(Work it out)  
He can work it out  
(Jesus can work it out)  
He can work it out  
Abraham had a son  
(Work it out)  
Issac was the only one  
(Work it out)  
Led him to a mountain high  
(Work it out)  
Boy gettin' ready to die  
(Work it out)  
Abraham said no word  
(Work it out)  
But from heaven he heard  
(Work it out)  
Abraham, Abraham  
(Work it out)  
Abraham, Abraham  
(Work it out)

Abraham, Abraham  
(Work it out)  
There you'll see a ram  
(Work it out)  
Didn't He, didn't He work it out  
(Work it out)  
Didn't He, didn't He work it out  
(Work it out)  
Didn't He, didn't He work it out  
Job was sick so long, come on  
(Job was sick so long)  
Flesh fell from his bone  
(Work it out)  
Wife, cows, and children  
(Work it out)  
Everything he had was gone  
(Work it out)  
Wife came runnin' to him  
(Work it out)  
Devil all in her eyes  
(Job you sick so long)  
Curse your God and die  
(Work it out)  
Job looked at the woman  
(Work it out)  
Looked up to the sky  
(Work it out)  
Woman you sound foolish  
(Work it out)  
Don't sound like my wife  
(Work it out)  
I don't have no doubt  
(I don't have no doubt)  
God's gonna work it out  
(Work it out)  
God's gonna work it out  
(Work it out)  
God's gonna work it out  
(Work it out)  
God's gonna work it out  
I gave it over to the Lord  
(He worked it out, oh yeah)  
Ooh  
(Work it out)  
(He can work it out)

He can work it out  
(Work it out)  
He can work it out  
Oh, yes, He will  
(Yes, He will)  
Oh, yes, He will  
(Yes, He will)  
Oh, yes, He will  
(Yes, He will)  
I know He will  
(Yes, He will)  
Oh, yes, He will  
(Yes, He will)  
Come on, work it out  
(Yes, He will)  
He can work it out  
(Yes, He will)  
I believe He can  
(Yes, He will)  
(Work it out)  
He can work it out  
(Work it out)  
Why you tryin' to figure it out  
He's already worked it out  
(Work it out)  
Oh, yes, He will  
(Yes, He will)  
Yes, God will  
(Yes, He will)  
Yes, God will  
(Yes, He will)  
I know He will  
(Yes, He will)  
(He can work it out)  
Whoo, oh come on put your hands together  
I read it in God's word  
That He can do exceedingly  
Abundantly, above all that you can ask for free  
And whatever you're standing in the need of tonight  
God can work it out  
Oh, yes, He will  
(Yes, He will)  
Yes, He will  
(Yes, He will)  
Yes, He will

(Yes, He will)  
Yeah, yeah  
(Yes, He will)  
I know God will  
(Yes, He will)  
He did it for me  
(Yes, He will)  
He'll do it for you  
(Yes, He will)  
Yes, He will  
He can  
(Work it out)
