

# I'm in the Mood for Love

[Brenda Lee](#)

I'm in the mood for love, simply because you're near me  
Honey but when you're near me, I'm in the mood for love  
Heaven is in your eyes, bright as the stars way under  
Oh is there any wonder? I'm in the mood for love Why stop to think of weather? This little dream might fade  
We put our hearts together and now we are warm, I'm not afraid  
If there's a cloud above, if it should rain, we'll let it  
But for tonight forget it, I'm in the mood for love We put our hearts together and now we are warm, I'm not  
afraid  
If there's a cloud above, if it should rain, we'll let it  
But for tonight forget it, I'm in the mood for love  
(For love)
