Back To You

Vertical Horizon

It's not enough to tear me up
you need to watch me as I drop
Lying here, in the wreckage of a life
hit me hard , push me down
while you stand your holy ground
blame it all on the one you blew away
But don't you just feel fine
All of your kindness
All of your blindness
I hope you realize this
I'm giving it back to you
All of your hatred
that you hold so sacred
I am elated
to give it back to you
Tell me how it's for the best
You left me such a pretty mess
cast away like flowers on the floor
swimming in your scent
And all the words you never meant
But you alway knew to leave me wanting more
and don't you look so nice
All of your kindness
All of your blindness
I hope you realize this
I'm giving it back to you

All of your hatred
that you hold so sacred
I am elated
to give it back to you
I've had enough
of the blood
and the blame
down in the dust
and the rust
and the shame
All of your kindness
All of your blindness

do you realize this ?
it's all coming back
All of your kindness
All of your blindness
I hope you realize this
I'm giving it back to you
All of your hatred
that you hold so sacred
I am elated
to give it back to you
It's not enough
to tear you up
I need to watch you as you drop .
