Drench

Gomez

Come and fight back
Need some help here
Bail us out
In up to our necks
Drenching never stops
Fish us outThere's a light there to steer it
A fear that is peeling
And soaking us up
Into a slow-motion freezer
Division is leaving
Everything stopsIt's overexposure
Stop running off on me
It's overexposure
Stop running offCome and fight back
Need some help here
Bail us out
In up to our necks
Drenching never stops
Fish us outDid you forget what you came in for?
Still shaking the rain off
Fresh from the stormSo we saved up the good stuff
And scrapped for the liferaft
Pistols at dawnIt's overexposed
And only tits and teeth remain
It's overexposed
Keep your filthy hands offCome and fight back
Need some help here
Bail us out
Had it up to here
Drenching never stops
Fish us outCome and fight back
Need some help here
Bail us out
Had it up to here
Drenching never stops
Fish us outCome and fight back
Need some help here
Bail us out
In up to our necks

Drenching never stops
Fish us outCome and fight back
Need some help here
Bail us out
Had it up to here
Drenching never stops
Fish us outFish us out
Fish us out
Fish us out
Fish us outAnd it looks enough for all of us to get soaked...
